

Agenda

News and Tips

- There's a <https://beta.familysearch.org> website for testing
- FamilySearch.org is evolving
- RootsTech.org is coming March 2-4, 2023
- There's a Facebook FamilySearch User's Group

Islands

- What are "Islands"
 - Unconnected "Trees" in your genealogy database or FamilyFile
 - Everybody has them
 - Viewable in Reunion by clicking Islands in the sidebar
 - Sequenced by how many people are in the tree with innocuous names
 - Create a family, then add unconnected person
 - Included in Gedcom of all your people
 - Need to review when receiving FamilyFiles of others
